◆ Career Goals

My ambition is to further develop my creative skills in the creative design space which includes but is not limited to Graphic Design, Photography, Illustration, Motion Design and 3D Modeling. I'm a fast learner and I'm always looking for a new challenge to help my skills develop as well as being able to further develop my portfolio.

◆ Hobbies

Archery

I love to Shoot my compound bow in my spare time, I also used to shoot competitively!

Cycling

I always make time to go for a ride a few times a week, also a great (and free) way to get around!

Saxophone

I blow off a little steam by belting out smooth tunes on my Alto Sax from time to time!

Gaming

To keep my mind sharp I'm always looking for a little challenge and I often find that in gaming!
